FARES TO FIT EVERY NEED

Street car and bus riders have a variety of fares to choose from. Here they are:

For those who ride infrequently - 10 cents cash fare.

For those who ride more frequently - 2 tickets for 15 cents or a book of 20 for \$1.50.

For those who ride more than 10 times in a week - weekly permit costing 25c entitling the holder to a 5 cent fare.

For those who ride more than 50 times in a month - \$6.00 Monthly Transportation Ticket.

These different fares are based on good merchandising principles - the more rides you buy, the cheaper the ride.

SPECIAL ATTENTION

The Patriotic Salvage Corps is putting on a drive during the next three months in aid of all the Community Clubs of Greater Winnipeg. The net proceeds from all salvage collected in our district during this period will be paid over to our Club. Please give this drive everything you've got, except what you need, as we deeply appreciate this very generous action of the Salvage Corps.

This is the Store...

That readies for school
... with pencil and rule
Has duds for Summer
... and when it's cool.

That youngsters all,
both short and tall,
Come within ...
its friendly walls.

That has a way
... with the "hi" crowd gay.
"It's the Store for us,"
you hear them say.
